Dear Mr. Roos-Collins:

On behalf of the Bay-Delta Advisory Council and CALFED Bay-Delta Program I wish to thank you for your informative and well planned presentation at the February 17 BDAC meeting in Sacramento.

Your thoughtful comments helped us achieve one of the goals of the meeting, which was to obtain a better understanding of agricultural water use efficiency issues, as they pertain to the CALFED Bay-Delta Program. Hearing from you as Co-Chair of the Agricultural Water Management Council was very important to ensure we have a clear understanding of issues which need to be addressed as we refine the CALFED Program and begin implementation.

We all appreciate your hard work on developing the agricultural BMP certification process and helping to ensure the CALFED water use efficiency objectives are met.

Sincerely,

Mike Madigan, Chair
Bay-Delta Advisory Council
